

Elvex® Committed to Innovative Solutions

ELVEX® Ballistic Safety Glasses

At Elvex we continue to do our best to provide you with state of the art shooting safety products. Our Ballistic Vo Rated Glasses are tested to the **U.S. Military Ballistic Test Standard MIL-PRF-31013**. **4x the Impact Velocity, 4x More Protection!** Compared to ANSI Z87.1 2010 (+)

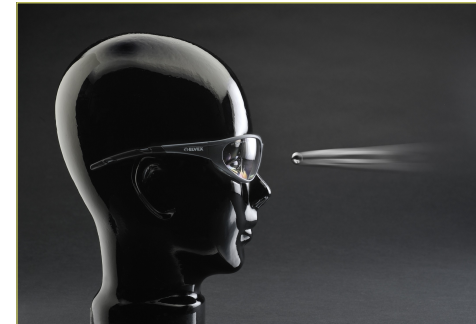

ANSI vs. Ballistic

Test Standards

Standard	Impact Speed	Caliber/Size
ANSI Z87.1-2010(+) high velocity	150 feet/second 45 meters/second	0.25 inch diameter steel ball (25 caliber)
Mil-PRF-31013 Vo Ballistic test	640-660 feet/second 195 meters/second	0.15 inch diameter steel projectile (15 caliber)

- 4 Ventilated slots for fog resistance
- Anti-Fog Molded Polycarbonate Lens
- Complies with Dust, Mist rating to ANSI Z87.1-2010(+) D3, D4.
- Lens Options: Clear, Gray

Elvex® Hearing Protection

Matching hearing protection to the noise level is critical and at Elvex we offer a wide range of Universal and Electronic Ear Muffs, plus Ear Plugs to meet your hearing safety needs.

- Universal Ear Muffs provide all day comfort and excellent attenuation at a value price.
- Electronic Ear Muffs protect against loud noisy environments and allows you to listen to your favorite AM/FM radio or MP3 player without compromising your surroundings or the ability to communicate.
- QUATTRO Reusable Ear Plugs are non-allergenic and our BLUE Disposable Ear Plugs have been enhanced with a special formulated foam.

Noise-induced hearing loss is permanent & irreversible, but 100 percent preventable!
